

1st March 2019

Dear Parents,

The School Swimming and Water Safety Program starts on Monday 04/03/2019. This is a very valuable program for the health and safety of our students. Thank you for your support of this program.

Every day for the next two weeks (04/03/2019 – 15/03/2019) students will need to bring the following items to school:

- Swimming costumes (which can be worn to school in the morning under their uniforms)
- A change of underwear for after their swimming session
- **TWO** dry towels
- Thongs or SLIP ON shoes to wear at the pool

Please make sure your child has these items every day and that **all items are clearly marked** with your child's name.

The next two weeks will be a busy two weeks for our students and they will probably be tired at the end of every day, but they will be having a lot of fun while they learn some very worthwhile lessons.

Regards,

Mr S Edmonds
